

SPONSORSHIP OPPORTUNITY FOR YOUR BRAND AND BUSINESS TO BE SEEN BY 1000'S OF PEOPLE ACCROSS CANADA

WHO WE ARE

Our non-profit club has operated in our community for over 40 years! Providing athletes age six years and older with the opportunity to play an amazing and unique aquatic team sport. Our club has approximately 60 athletes, representing Kitchener, Waterloo and the surrounding townships who compete in competitions across Ontario, Quebec, Alberta and the U.S.A. We have fielded teams at international tournaments!

WHAT IS WATER POLO?

Water Polo is an Olympic sport played in the water between two teams of seven players each. The game consists of four quarters in which the teams attempt to score points by throwing the ball into the opposing team's goal. The team with the most goals and the end of the game wins the match!

WHY WATER POLO?

Water Polo is a physically demanding sport that combines advanced technical skill, swimming and teamwork. It's a fantastic opportunity for fun, fitness, self-esteem and socialization. The sport is supported by a thriving global network of professional coaches, officials and leaders. Athletes learn important techniques while building lasting friendships in and out of the pool.

KW KRAKEN INVITE YOU!

This season we would like to invite your business to be involved! We are now gathering sponsors for a stand-up banner that will be presented at all KW Water Polo competitions locally and on the road. Stand-up banner will also be placed throughout the week at various practice venues across Waterloo Region.

Logo size and positioning on the banner will be relative to the size of the contribution. Sponsorship contributions will be used for additional practice time in the pool, special instructional practices with expert coaching and to assist with travelling to out of town competitions as ambassadors of Kitchener-Waterloo!

We invite you to check out our website to see who our past sponsors were, what the banner and framed photo looks like :
