As the KW Water Polo Club closes out the 2018 – 2019 season, I want to take a moment to thank you, our sponsor, for your support in making this such a successful year. Your support helped 64 athletes compete in venues as far west as Alberta, and as far east as Montreal... and our sponsorship banner traveled with them to each event.

The ages of these athletes ranged from 9 to 19. With your help, they've enjoyed experiences from which they will grow as individuals, develop resiliency and self-confidence, and become strong contributors to our community.

From a competitive perspective our season was a phenomenal success. We brought home Gold in many of the tournaments entered and our 14U Girls took it to the next level by winning both

Provincials and the Eastern National Championships.

Please accept the enclosed team photo as recognition of our appreciation for your support. We hope to reach out to you again in the near future and ask for your support for the 2019 – 2020 season.
