

**Come celebrate the season at our
Annual Christmas / Holiday Party.**

December 7th from 6:30 till 9 ish
NEW LOCATION this year
City Hall Rotunda - City of Kitchener

POT LUCK

Each family is asked to bring a main course meal.

Drinks, salad & dessert will be provided.

Players attending without family should still bring something for the pot luck

ADMISSION = Silent Auction

Instead of admission we will be running a silent auction. We are hoping each family can bring an item for a silent auction. We are hoping items are over \$10 in value and may be donated from employers, businesses or the family. Maybe you will regift an item that you have received previously (who would know), Items that would appeal to both adults and children would be appreciated. We also encourage you to bring your cheque book or cash to purchase items from the silent auction.

Proceeds from the silent auction will go towards covering the cost of the hall and any extra will go back into the club to help where needed.

***We encourage you to come and meet the other parents
and celebrate the season!***

***The team from Mexico
will be joining us for this event.***

*Parking after 6 in the lot off Young street is free.
There are also some spots on Young, Duke &
College street around city hall. There is a cost if
you park in the underground garage.*
