

### **MESSAGE FROM THE MAYOR**

Welcome to everyone participating in KW Water Polo Club's 30<sup>th</sup> Anniversary celebrations! On behalf of members of Council, and the citizens of the City of Kitchener, congratulations on this significant milestone for your club.

I understand there are a variety of festivities planned this weekend for alumnus, current members and visitors, including the International Youth Men's Tournament. Whether you are an active participant, a coach, a family supporter or a former water polo player, you will understand the level of fitness, competition and sportsmanship encouraged by KW Water Polo. Over the years you have trained and guided many young athletes in their regular practice as well as in elite competition.

Thank you to all the committed volunteers and supporters who have built this club for the past 30 years. Your dedication to the sport and to the club is greatly appreciated by all who have participated over the years. Again, congratulations on your 30<sup>th</sup> Anniversary and best wishes in KW Water Polo Club's future!

Sincerely,

Carl Zehr
